The fog is gone, and the keeper plays a soft song. Can you see who fell asleep on his bed? 14

Thick fog rolls in, and the horn won't work. What a problem! What can help the ships now? 3

A ship's bell rings back! Something round is piled on deck. Say the red sound and guess! 10

You found the panda, fast asleep on his bed! Can you read the tiles while you wake him up? 7

Lionpal

The captain rows up with the biggest one, a thank-you gift. Who do you think will carry it? 12

Off comes the cloth, but it is far too heavy to move to the window. Who could help push it? 5

He yawns, stretches, and pushes it all the way to the window. Can you see where it stopped? 8

DONG, DONG! The song rings out over the thick fog. Can you read the tiles while he plays? 9

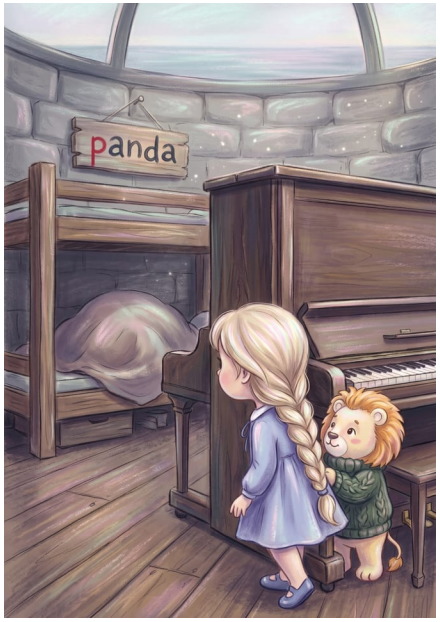

How will the ships hear? Say the red sound on the cloth, and guess what is hiding under it! 4

Tea for everyone! The captain thanks the keeper. Can you read the tiles while you sip? 13

Someone big is snoring behind it. Say the red sound on the sign and guess who is sleeping! 6

The ship sails safely into the harbor, piled high with its round cargo. Where will it stop? 11

You and Leo visit the keeper at his window. Can you read the tiles while he eats his dinner? 2

Point to each thing you found and say its sound! Can you read both tile words? 15
